## TWELVE DISTILLERIE DE LAGUIOLE

### NOSE NOTE :

Very elegant, with aged perfumes such as Tonka bean, vanilla and butterscotch.

Then, as it airs out, notes of stone fruit take us towards a promise of indulgence.

### PALATE NOTE :

Malt remains dominant, **ALMANDIN** is indeed a whisky !

Age enriched with notes of dried fruits such as grapes, dates and apricots, the slight underlying acidity gives this bottle a nice dynamic.

### FINISH NOTE :

Fairly dry, but very long.

Sweet, smooth aromas typical of rum.

A delight for brandy and rum enthusiasts.
