## TWELVE DISTILLERIE DE LAGUIOLE

### NOSE NOTE :

Jamaica brings more than ripe exotic fruits, their flesh overflowing and unfurling tropical aromas with no false modesty.

The whole is enveloped in a handful of particularly gourmand, pastry-like spices, as in a Christmas gingerbread.

Aeration calms the rum and allows soft vegetal notes to emerge.

Coconut further enriches the balance, where fruity notes blend with tropical sweetness.

### PALATE NOTE :

A round attack, quickly followed by a surge of power, with no end in sight.

The exotic fruits generate a state of intense vibration, finally melting into a concentrated syrup.

### FINISH NOTE :

Calm and exceptionally long, a light vanilla woodiness settles in with the delicateness of a hummingbird.
