

CORNALINE

# TWELVE

DISTILLERIE  
DE LAGUIOLE

## PRODUCT INFORMATION :

This whisky was peacefully aged in old Tawny Port casks from a small family quinta on the banks of the Douro.

It matured for many months in one of the distillery's damp cellars before being blended.

These 4 casks express all the nobility and character necessary for a top-quality whisky.

This single malt was bottled by gravity at 48 % without filtration or coloring.

## TWELVE DISTILLERIE DE LAGUIOLE

### NOSE NOTE :

Rich, with great finesse, intrinsic markers of its port cask aging, such as very ripe red fruit and jam, followed by gourmand notes of cocoa and dried fruit.

After aeration, reassuring notes of toasted brioche and walnuts.

### PALATE NOTE :

Gourmandise wins out ! **CORNALINE** is a full-bodied, vinous whisky.

Stewed red fruits combine with notes of dried fruits such as dates.

On the long finish, cocoa flavors linger to prolong this almost regressive moment...

### FINISH NOTE :

Slightly spicy, with a few bitter notes that give this bottle its pep.
