

TWELVE

DISTILLERIE
DE LAGUIOLE

PRODUCT INFORMATION :

For this third opus of the Cuvée **SOBRONIEL**, TWELVE wanted to offer a new proposition, but with the same uncompromising values.

This magnum, limited to just 100 copies, is the result of the marriage of our four aging cellars, a few liters taken from each location, among our best barrels.

It is the fruit of meticulous work and precise distillation, enhanced by slow maturation.

A thoughtful approach to wood and its bewitching aromas, a balance between elegance and complexity, a deliberately committed whisky !

STRENGTH : 51 % vol.

TWELVE

DISTILLERIE
DE LAGUIOLE

NOSE NOTE :

Very complex on sweet spices and Oriental aromas, bourbon vanilla, butter biscuit.

The nose opens on touches of Corinth dried sultanas, citrus fruits and Timut pepper.

A nice woodiness accompanies all the aromatics.

PALATE NOTE :

On the palate, we find citrus fruits and zan.

Leather and nuts are also present, but a caramelized roundness has its effect.

The whiskey is rich, almost oily, which only reinforces this pastry side.

We finish on pepper again.

FINISH NOTE :

Very nice length and nicely spicy.

A structured but ultimately very pleasant whiskey, which will flourish wonderfully at the end of a meal.
